Alternate Rep information

Name:
E-mail: <small>(hotmail, yahoo, etc. accounts do NOT work – our e-mail database is too big)</small>

You will be e-mailed informing you of upcoming Student Forums. Hotmail, yahoo, etc. accounts do NOT work because our e-mail database is too large and the messages come back as undeliverable. We encourage all Class Reps to use their *Algonquin e-mail account*. If you are not receiving e-mails, then we are having problems with your e-mail account. Please keep your eyes open for posters or check the website www.algonquinSA.com and click on Board of Directors to find out about upcoming Forums. You can also contact us at 727-4723 ext. 7711.

It is very important that, as a Class Rep, you sign up for the Forums so that we know how much food to order.

All forms must be dropped off at the Students' Association office C-151 Woodroffe or room 117 Pembroke as soon as possible!

See you at the Student Forums!
